

# Haiku® Wall Control

Total Convenience, Total Control

The Haiku Wall Control offers the convenience of a standard wall switch with intuitive, synchronized command over Haiku fans and lights. Its four simple buttons allow easy manual adjustment of fan speed, light brightness or color shifting, while onboard SenseME™ Technology monitors room conditions and adjusts fans and lights to automatically maximize comfort and efficiency.

## Features and benefits

- Delivers automated comfort by enabling SenseME Technology in compatible Haiku products, including L Series ceiling fans
- Motion sensor offers convenience and energy savings, turning fans and lights off when you leave the room
- Up to seven Haiku fans and lights can be grouped to a single wall control for synchronized wireless operation
- Works with the Nest Learning Thermostat™ and other third-party connected devices for additional features and convenience

## SenseME Technology Features

### Motion Sensor

Detects when you enter or leave a room, turning the fan and LED light on and off automatically

### Sleep Mode

Responds to changing conditions to provide customized comfort all night long

### Whoosh® Mode

Silently varies fan speed to mimic cooling natural breezes

### Scheduling

Sets precise schedules for fan control modes

### Smart Mode

Alternates between seasonal settings—Smarter Heating and Smarter Cooling—to maintain comfort and maximize energy savings

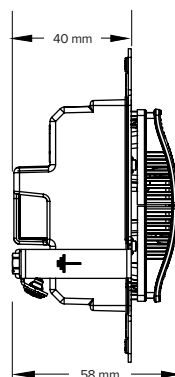

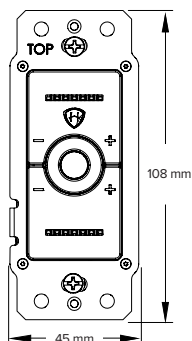

### Wi-Fi

Connects to the Haiku Home mobile app for fan control and over-the-air updates

Accessory:

# Haiku Wall Control

## TECHNICAL SPECIFICATIONS

### Technical Specifications

Model number	005836
Color	White
Operating voltage and frequency	100/240 VAC, 1 $\Phi$ , 50/60 Hz
Amperage	0.055/0.036 A
Manual controls	Light on/off Fan on/off Light adjustment Speed adjustment
Controller <sup>1</sup>	Haiku Home app
Environmental sensors	Occupancy, ambient temperature, and relative humidity
Operational temperature range	0° to 40° C
Environment	For indoor use
Wallplate	Included
Warranty <sup>2</sup>	1 year
